## FINLAND

VASKIVUORI UPPER SECONDARY SCHOOL (Vantaa)

### Objective 1.

Improve the internationalization of partner centers through the knowledge of other foreign schools and joint work in a project.

### Objective 2.

Improve skills and knowledge to improve educational quality (audiovisual, languages, etc.)

### Objective 3.

Promote a committed, empathetic and respectful European citizenship.

### Objective 4.

To increase the European awareness of the students and the knowledge and reflection of European values and cultural heritage.

### Objective 5.

To favor the inclusion and reduction of early school leaving of the centers involved (through the analysis and contributions of the students themselves).

### Objective 6.

To develop the audiovisual competence of students, which allows them to read and produce images in a critical and reflective manner.
